In the Pocket of the Sea

Situated on the commune of Pleneuf-Val-Andre less than 1km from the beach lies this cosy home. Perfect for families, you'll have a large garden to let the kids play in alongside your furry friends, and a raised terrace with seating outdoors to comfortably enjoy the fresh air and blue skies. In the day, large windows and doors to the terrace let the sunlight bathe the open-plan living space, and you'll have the option of whipping up something in the kitchen, throwing a barbecue in the sunshine or heading out to one of many choices for fantastic nearby restaurants. In the evening, sit under the stars with a drink or gather in the living room with a movie on the big screen and let the wood stove heat you up - a perfect cosy evening. You'll be close to the port of Dahouet, and will be able to benefit from close proximity to shops and pick up any necessities you might need.
