**Address: The Marina Garden**

Bedrooms: 1 Bathrooms: 1

### The Marina Garden

Located in Dubai's Marina, this walk-up apartment provides a practical stay for those travelling for business or pleasure. The interiors are bright, and well-equipped for a short city break, and the dining table can easily double as a laptop-friendly setup for remote working. The home's standout feature is the private balcony with seating for two – ideal for cool drinks at sunset. You'll also have access to a host of shared amenities here, including a gym, pool and barbecue area, as well as squash courts and a play area for little ones. When you're ready to explore, take a stroll down to the JBR beach, just a six-minute walk away or head to some of the designer shops, gourmet restaurants and trendy bars nearby.
