Footsteps From the Sand

Ideally positioned, just footsteps from Sillon Beach, this bright and modern home is all about kicking back and relaxing. Wake up feeling refreshed in the soft yellow bedroom before plating up a stack of crêpes at the matte grey kitchenette. Recline on the plump sofa and get lost in a paperback or fill your lungs with the fresh sea air on your private balcony. When you're ready to explore, the heart of Saint-Malo is a short walk away. Soak up unobstructed views of the marina from the city walls then swot up on your French history at Château de Saint-Malo. At low tide, discover the Grand Bé after basking in the sunshine on Plage de Bon-Secours. Finish the day with a feast of Breton cuisine followed by a glass or two of wine in a local restaurant.
