Sea it Clearly

Nestled along the Malouine coast, this sleek apartment invites you to unwind and appreciate the beauty of Saint-Malo's quiet Rothéneuf region on foot. You have sandy beaches nearby, including Plage du Val, less than a ten-minute walk away, while Havre de Rothéneuf, a beautiful little cove, is also well within reach. Keen hikers can embark on a 10km walk between the Pointe du Grouin and Cap Fréhel, which will really introduce you to the idyllic seascape. Whether you're sunbathing on the beach or hiking up the rocky cliffs, you'll love returning to this family-size apartment, ideal for seamless modern living. It's wonderfully bright and open due to the vast skylights, large sliding glass doors, and sociable layout. The biggest draw is, of course, the outside space. With two furnished balconies, you'll be cradling your morning coffees and tucking into breakfast while watching the changing moods of the sea. It's the perfect spot for those after a private and peaceful place to relax.
